

Membership Message – 2021 Chapter 242 Summer Membership Campaign

This year's Summer Campaign was another success. Our chapter added 20 new members from 11 offices! New member Melissa Schildman (Springfield) won the new member raffle, member Daniel Bacon (Champaign) won the member raffle for contacting non-members, and Vice President Rachel Penn (Lexington) won the steward raffle. Congratulations to all of them! We now have 10 offices with over 70% membership, with Springfield, Mount Vernon, Champaign, and Princeton having membership levels over 80%, and Madison having membership over 90%!!!

Thanks to all who helped with the campaign, your support is much appreciated. During this summer's campaign, members and stewards reported over 40 contacts with non-members! Only with strong membership, can our chapter continue to be so effective.
